

The **Jackson Federation of Teachers, Paraprofessionals, and School-Related Personnel** wants to be sure you're ready for Election Day.

**Save the Date:** Election Day is **Tuesday, November 5, 2024**. Polls in Mississippi are open from 7 AM - 7 PM. As long as you are already in line by 7 PM, you are eligible to vote.

**Please do not leave the line until you have voted.**

**Are you registered to vote?** If you aren't, you can [register in person](#) at the Circuit Clerk's office or the Municipal Clerk's office, or you can mail in your [voter registration application](#). The application must be submitted at least 30 days prior to the election.

**Are you still on the voter rolls?** Mississippi has guidelines for voter roll maintenance, and if you haven't voted in a while, your name may have been removed. To find out if you're still actively registered, [visit the Secretary of State's website](#). **UPDATE: It is HIGHLY recommended that you call the Circuit Clerk's office to ensure the most up-to-date information regarding your registration.** [You can find contact information here](#); click on your county to see information.

**Are you eligible for absentee voting?** [Mississippi's guidelines for absentee voting can be found here](#). Check them out to see if you qualify to vote absentee. Both in-person and mail-in absentee voting have different guidelines, so be sure to check those out. If you are overseas or serving in the military, [you can find out how to request your ballot here](#).

**Do you need to update your voter registration information?** [You can do that here](#).

**Do you know where you go to vote?** [You can find that here](#). Please note that you should verify your polling place close to Election Day to be sure it hasn't been temporarily changed.

**Do you have proper identification for Election Day?** [You can find which forms of ID are acceptable here](#).

Though the Jackson Federation of Teachers does endorse candidates, we recognize an individual's right to vote as he/she/they desire. **To see which candidates are on the ballot this November**, visit [Ballotpedia.com](https://www.ballotpedia.com) for a list of candidates. We also recommend that you research all candidates listed on the ballot so that you can make informed choices about your preferred candidates.
